

William Gilpin Church of England (Aided) Primary School Admissions Policy from September 2017

Admissions to Year R

This policy will apply to all admissions from 1 September 2017, including in-year admissions.

The Governing Body of William Gilpin Church of England (Aided) Primary School is the admission authority for the school. The admission arrangements are determined by the Governing Body, after statutory consultation.

The Published Admission Number (PAN) for William Gilpin Church of England (Aided) Primary School is 17. The PAN is the number of places for children available in the year group above.

A guiding principle of admissions to this school is that the school should serve its local community, defined in the trust deed of 1874 as the ecclesiastical parish of St. John's Boldre. The policy aims to be clear, fair and objective and to comply with all relevant legislation.

Outside the normal admissions round, the Local Authority's Fair Access protocol will be applied alongside the policy to secure the admission of vulnerable pupils from specific groups.

The Governors will admit any pupil whose Education Health Care (EHC) plan names the school. Where possible such children will be admitted within the PAN.

If the school is oversubscribed, places will be offered in the following priority order. Places for applications received after the deadline will be allocated using the same criteria:

Admission Criteria

- 1. Looked after children or children who were previously looked after.** (See Definition A)
- 2. (For applicants in the normal admission round only)** Children or families who have a **serious medical, physical or psychological condition** which makes it **essential** that the child attends the preferred school rather than any other. (Appropriate medical or psychological evidence must be provided in support.) (See Definition B)
- 3. Children living in the catchment area** of the school (See Definition C) who at the time of application have a **sibling** (See Definitions D) on the roll of the school.
- 4. Children living out of the catchment area** who at the time of application have a **sibling** (see Definitions D) on the roll of the school.
- 5. Other children living in the catchment area** of the school.
- 6. Other children living out of the catchment area** of the school:
 - Children with a parent who is an active member of a Christian church included in the list of Christian Churches (see Definitions E & F) and who requests admission on denominational grounds and provides relevant evidence.
 - Children of members of staff who have been employed at William Gilpin on a permanent contract for at least two years at the time at which the application is made.

- (iii) Other children.

Definitions

A. Looked after children or children who were previously looked after

This criterion provides a priority for children who are (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989). It can also be used for children who were previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. An adoption order is an order under section 46 of the Adoption and Children Act 2002 or section 12 of the Adoption Act 1976. A 'child arrangements order' is as an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989 as amended by the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians). Applications under this criterion should be accompanied by evidence to show that the child is looked after or was previously looked after (e.g. a copy of the adoption, child arrangements or special guardianship order)."

B. Serious medical, physical or psychological condition

Where a place is requested for a child or family who have a serious social or medical, condition, you must supply supporting independent evidence at the time of application confirming the reason(s) why attendance at William Gilpin School is essential rather than any other school. You must also describe the difficulties that would be caused if the child had to attend another school. The evidence should be provided by a suitably qualified medical professional. The evidence will be considered carefully in confidence by the admissions committee of The Governing Body, who will endeavour to reach a fair and equitable decision.

C. The Catchment Area

The catchment area for William Gilpin Church of England (Aided) Primary School is the Ecclesiastical Parish of St. John's Boldre and may in addition include the Local Authority defined catchment area. The child's permanent residence is where they live, normally including weekends and during school holidays as well as during the week, and should be used for the application. The permanent address of children who spend part of their week with one parent and part with the other, at different addresses, will be the address at which they spend most of their time.

Moving Home & UK Service Personnel & Crown Servants

Places can only be offered on the basis of future moves on the basis of:

- A letter from the solicitor (or equivalent) confirming exchange of contracts to buy a property relevant to the application.
- A tenancy agreement confirming the renting of a specific property relevant to the application.
- A letter from a housing association confirming that the parent(s) will be living at a specific address relevant to the application.
- In the case of UK service personnel and Crown servants, an official government letter (MOD, FCO or GCHQ) letter declaring a relocation date and a unit postal address or quartering address.

D. Siblings

'Sibling' refers to brother or sister, half brother or half sister, adoptive brother or adoptive sister, step brother or step sister, and includes children living as siblings in the same family unit such as foster siblings. It will also be applied to situations where a full or half brother or sister are living at separate addresses. Categories 3(i) and 4(i) includes children who at the time of application have a sibling for whom the offer of a place at the preferred school has been accepted, even if the sibling is not yet attending.

E. Active Member of a Christian Church.

'Active member of a Christian church' is defined as attending worship at a church in the list of Christian Churches listed in this policy at least twice a month for the previous two years before the deadline for admissions of **midnight on 15th January 2017**. Parents applying under criterion 6(i) are required to complete a Supplementary Information Form (SIF), which asks for declaration and verification of your active membership. The SIF, which is available from the County website www.hants.gov.uk/admissions or the school website www.williamgilpin.hants.sch.uk must be completed and returned to the school by **midnight on 15th January 2017**. (As it is a paper form that needs to be signed, the SIF is not available for completion online.)

If a disability of other 'special needs' circumstances prevents regular attendance (as defined above) at a specific place of worship but the person concerned is recognised by the church leaders as a 'regular worshipper' then this can be taken into consideration in your declaration and the verification of your 'Active membership of a Christian Church'.

F. List of Christian Churches used for admission to The School

Churches Together In England have requested that Governing Bodies do not use their list of members for Admission Policies. See:

Additional Information

Tie-Breaker

If the school is oversubscribed from within any of the above criteria or sub-criteria, straight line distance will be used to prioritise applications; applicants living nearer the school have priority. The Local Authority's Geographic Information Systems (GIS) will be used to determine distances from the defined point of the home address point to defined point of William Gilpin Primary School.

Distances to multiple dwellings will give priority to the ground floor over the first floor and so on. On individual floors, distances will be measured to the stairs leading to the communal entrance. If distances are equal (for example within a block of flats), lots will be drawn by a person independent of The Governing Body to determine the allocation of a place.

Who Can Apply

Only a parent can apply for a place at a school. A parent is any person who has parental responsibility for or is the legal guardian of the child, as set out in the Children Act 1989.

How to Apply

The Local Authority operates a Co-ordinated Admissions scheme which processes all main round (ordinary) admission applications. They also publish a Composite Prospectus which details all admission arrangements for schools within the Local Authority. Please see www.hants.gov.uk/admissions for the prospectus and details of the scheme.

You must complete a Local Authority Application Form available from website www.hants.gov.uk/admissions or available as a paper copy from the school office. If you wish to use the 'Active member of a Christian church' criteria to support your application you must also complete a Supplementary Information Form (SIF). This form is also available from the Local Authority Website, website www.hants.gov.uk/admissions or the school website www.williamgilpin.hants.sch.uk or as a paper copy from The School Office. Please also see the definition on 'Active member of a Christian Church'.

Offering Places

The Governing Body will consider first all those applications received by the published deadline of **midnight on 15th January 2017**. Notifications to parents offering a school place will be sent by the Local Authority on **18th April 2017**.

Applications made after **midnight on 15th January 2017** will be considered after all on-time applications have been fully processed unless exceptional circumstances merit consideration alongside on-time applications.

For the normal admission round, all on time preferences will be considered simultaneously and ranked in accordance with the admission criteria. If more than one school can offer a place, the parent's highest stated available preference will be allocated.

Pupils with an Educational Health Care Plan

The Governors will admit any pupil whose Educational Health Care plan names the school. Where possible such children will be admitted within the PAN.

Multiple births

Where a twin or child from a multiple birth is admitted to a school under this policy then any further twin or child of the same multiple birth will be admitted, if the parents so wish, even though this may raise the number in the year group above the school's PAN.

In-Year Applications (Ordinary)

The allocation of any places which may become available during the year will be made on the basis of the current Admissions Criteria. There are no deadline dates for in year applications. Applications must be made using the Local Authority Admission Form available on line at www.hants.gov.uk/admissions. Any parent with parental responsibility can apply for a place for their child at any time to any school. The Governing Body will decide whether a place can be offered at this school.

In-Year Fair Access Placements by the Local Authority

The Local Authority must ensure that all pupils are placed in schools as quickly as possible. It may therefore sometimes be necessary for a pupil to be placed by the Local Authority, or a Local Placement Panel acting on behalf of the Authority, in a particular school even if there is a waiting list for admission. Such placements will be made in accordance with the provisions of the Local Authority's In-Year Fair Access Protocol. The Protocol is based on legislation and government guidance.

Waiting Lists

When all available places have been allocated a waiting list will be operated by the school. Parents must request (in writing) that their child is placed on the waiting list. Waiting lists for any academic year will be maintained for one year.

Any places that become available will be allocated according to the criteria of the admission policy with no account being taken of the length of time on the waiting list or any priority order expressed as part of the main admission round. Fair Access admissions and school closure arrangements will take priority over the waiting list.

The waiting list will be reviewed and revised:

- each time a child is added to, or removed from, the waiting list;
- when a child's changed circumstances affect their priority;
- periodically when parents, with a child on the waiting list, will be contacted and asked if they wish to remain on the list for the following school year.

At the time of receiving an offer of a school place parents will be advised of the process for adding their child's name to a school's waiting list. Parents may keep their child's name on the waiting list of as many schools as they wish and for as long as they wish.

The waiting list will be maintained until 31 August 2018, at which point all names will be removed. Should parents wish their child to be considered for a place at the school in the following school year they should complete and submit a fresh in-year application in the August preceding the new school year. Schools will send a decision letter within the first 10 days of the new term.

Starting school and deferred entry to Year R

All children are entitled to full-time schooling from the September following their fourth birthday. Where a child is offered a place at William Gilpin Primary School:

- a) that child is entitled to a full-time place in the September following their fourth birthday;
- b) parents can defer the date their child is admitted to the school until later in the school year (usually at the start of a school term) but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which the offer was made; and
- c) where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

Children with birthdays between:

- 1 September and 31 December 2012 (inclusive) reach compulsory school age on 31 December 2017, and must be in school at the start of the Spring Term.
- 1 January and 31 March 2013 (inclusive) reach compulsory school age on 31 March 2018, and must be in school at the start of the Summer Term;
- 1 April and 31 August 2013 (inclusive) reach compulsory school age on 31 August 2018, and must be in school at the start of the new school year in September.

Parents of children with birthdays between 1 April and 31 August 2013 (inclusive), whose child has not started in a Year R class during the 2017-18 school year, may wish to request admission to Year R in September 2018 rather than admission to Year 1. In these circumstances, all relevant factors will be considered in assessing the request; parents would be expected to state clearly why they felt admission to Year R was in their child's best interests.

It is recommended that parents considering such a request contact **The School** as early as possible to ensure that an informed decision is made.

Notes on Compulsory School Age and Summer Born Children

A child is not required to start school until they have reached compulsory school age following their fifth birthday. For summer born children this is almost a full school year after the point at which they could first be admitted. Compulsory school age is set out in section 8 of the Education Act 1996 and The Education (Start of Compulsory School Age) Order 1998. A child reaches compulsory school age on the prescribed day following his fifth birthday (or on his fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

All children born from the beginning of April to the end of August reach compulsory school age in the September following their fifth birthday. It is likely that most requests for children to be admitted out of their normal year group will come from parents of children born in the later summer months or those born prematurely.

Admission of Children Outside Their Normal Age Group

Parents of summer born children or of a Gifted and Talented child or a child who has experienced problems or missed part of a year, for example due to ill health, can request a place outside the normal age group.

Parents may decide not to apply for a Reception place in the school but to apply for a Year 1 place in September 2018. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the 2017-18 Reception Year group. Alternatively, they may decide to apply in the normal round (no later than 15 January 2018) for a Reception Year place in September 2018, but would need to provide strong supporting reasons for seeking a place outside the normal year group and apply via the protocol outlined above.

The Governing Body will make a decision on the basis of the circumstances of each case. Parents do not have a right to appeal if they have been offered a place and it is not in the year group they would like. The Governing Body will make a decision on the basis of the circumstances of each case. Parents do not have a right to appeal if they have been offered a place and it is not in the year group they would like.

Admission Appeals

If you are unsuccessful in gaining a place for your child at The School you will be informed by The Local Authority in writing, be given reasons for the refusal and informed of your right to an independent appeal against the decision.

Warning

Places are withdrawn every year because parents give a false 'home address' on application forms. This includes cases where parents take out a short-term let or buy a property solely to use its address on the application form without any intention of taking up permanent residence there. In fairness to all parents, all allegations of fraudulent practice brought to The Governing Body attention will be investigated. The Governing Body reserves the right to withdraw the offer of a place if fraudulent or intentionally misleading information has been used on an application.

Legislation

This policy takes account of all relevant legislation including the legislation on sex discrimination, race relations, and disability, together with all relevant regulations and the School Admissions Code (published by the DfE in 2014).
