## Fortnightly Bulletin - June 16th

<http://www.williamgilpin.hants.sch.uk/>

Thank you to all the parents who came to my vision and values talk, I hope it was useful. As you can see above we have our new motto and the new logo will be coming soon. For those parents who were not able to make it, our new core Christian values are **courage, compassion and community.**

  - ◇ 7 and over class ~ Photo of a pet, a decorated hard boiled egg and 3 savoury scones.

### Sports day

A few reminders for sports day~

- Please make sure your child has a T-shirt in their house colour— Red for Wilverley, Blue for Ipley and Yellow for Setley.
- Encourage your child to be happy with their races, they will not always get their top choice as there are many children involved. This is all part of being a team and working with your house.
- Your child will not be able to come and sit with you during the races, we need all the children with their teachers so the day runs smoothly.
- You are more than welcome to stay over lunch (weather permitting), bring a packed lunch and have a picnic. You may have to play some volleyball and table tennis though!
- Please support the staffs decisions and cheer everyone on.
- You will be pleased to know (I hope) that there won't be a parents' race so you can relax and enjoy the day.

### Pilley Hilly Hoedown

Get your tickets for the 7th July from the school office. It was a great night last year and all money made goes to the school.
